Meter Service Order – Application

Name:

Date:

Address:

Telephone:

The undersigned hereby applies for electric service in the Town of Middleton, Mass., and agrees to be bound by the terms and conditions printed below and to use and pay for such service at the Department's published rate for service.

The undersigned agrees to pay all bills within 30 days from date of bill.

A minimum charge per meter, per month will be made depending upon class of service.

The consumer will be held responsible for all charges for electricity furnished under this agreement until the Department has been notified in writing to discontinue the service and has had time to remove the meter.

The consumer will be held responsible for any damage to or loss of the Department's property located upon his or her premises, unless occasioned by the Department's negligence.

The Department will not be responsible for any failure to supply electricity, or for interruption or reversal of the supply, if such failure, interruption or reversal is without willful default or neglect on its part.

Permission is given the Department to enter the consumer's premises at all times for the purpose of inspecting and keeping in repair or removing any or all of its apparatus in connection with the supply of electricity, and, for said purpose, the consumer will request his or her landlord, if any, to permit said Department to enter said premises.

The benefits and obligations of this agreement will commence on the day the consumer is connected to the Department's service for the purpose of taking electricity hereunder, and will inure to, and be binding upon the successors and assigns, survivors and executors or administrators (as the case may be) of the original parties hereto.

The consumer agrees, upon demand of the Department, to deposit with it, as collateral security for the performance of the terms of this agreement, such a sum as will be demanded by the Department.

No agent has the authority to make, modify or alter this agreement or waive any of its conditions, or bind the Department by making any promise not contained in this agreement. '

The Department reserves the right to discontinue service at any time without notice, whenever the consumer has violated this agreement. The Department also reserves the right to shut off the supply of electricity for repairs or want of supply.
