Middleton Electric Light Department Energy Star Appliance Rebate Form

For fastest processing: click here & apply online.

Applications received via mail will take 12 weeks to process.

Eligibility Requirements:

Applications that don't meet criteria will be rejected

- **\$200 maximum** in rebates per accountholder/household per calendar year.
- Rebate is applied via **check**. Allow **8-10 weeks** for processing if applying online.
- Appliance(s) must be installed at account location.
- Offer is dependent on funding and can be terminated at any time.
- Appliance *purchases* must be in the current calendar year.
- *Applications* for purchases are due by January 31 of the following year.
- **Energy Star proof** must be included in application via paper or or digital copy (scan, screenshot, pdf, jpg). Acceptable proof:

Either

Easiest: The yellow Energy Guide label that shows Energy Star logo*. In the example on right, the Energy Star logo is circled in red on the label's bottom-right corner. Energy Guides missing the Energy Star logo **are not** Energy Star certified.

**Certain appliances do not have the yellow label. See option below to provide certification.*
