Heat Pump Water Heater Rebate Form

For fastest processing: visit www.ene.org to submit an application online.

Eligibility Requirements:

Applications that don't meet criteria will be rejected

- You may qualify to receive this rebate once every 10 years. Rebate is applied via **check**.
- Allow **8-10 weeks** for processing.
- HPWH must be installed at account location.
- Offer is dependent on funding and can be terminated at any time.
- HPWH *purchases* must be in the current calendar year
- *Applications* for purchases in the current calendar year must be submitted by January 31 of the following year.
- Energy Star Proof must be included in application via paper or or digital copy (scan, screenshot, pdf, jpg). Acceptable proof:

Either

Easiest: The yellow Energy Guide label that shows Energy Star logo. In the example on right, the Energy Star logo is circled in red on the label's bottom-right corner. Energy Guides missing the Energy Star logo **are not** Energy Star certified.

OR

Copy of technical specifications, (sometimes called product specifications or product guide) that shows your appliance's brand, model number, and Energy Star certification.

OR

Copy of search results from Energy Star's website.
