

## Middleton Electric Light Department

### Air Source Heat Pump / Ductless Mini-Split Rebate Application

\$1000/system, max of \$2000 for 2 systems

Units must have a 18+ SEER and 9+ HSFP ratings

### Directions

1. Complete all fields of this application. If entering info by hand, please print clearly in all caps. Documents submitted electronically should be PDF's. Paper copies must be legible.
2. Attach copy of an itemized installer's invoice, showing bill has been paid.
3. Attach a document listing:  
(1) system's brand, (2) model numbers for both outside and indoor units, (3) the outside unit's AHRI number, (4) system type (ducted or ductless), and (5) required energy efficiency information. Your installer can list all of this information on the invoice.
4. Provide close & clear pictures of labels affixed to all units. Model number and brand must be legible and must match the ones listed on installer invoice.
5. Sign and date the bottom of page 2.
6. Read page 3 for additional eligibility requirements and submission information.

## Middleton Electric Light Department

Air Source Heat Pump / Ductless Mini-Split Rebate Application  
\$1000/system, max of 2 systems/\$2000

### Eligibility Requirements:

- System(s) must have a 18+ SEER and 9+ HSFP ratings
- Maximum of \$1000 per ASHP system, capped at two systems, or \$2000 per calendar year. An ASHP system is defined by the number of outdoor units, not the number of indoor units.
- Rebate is applied via bill credit. Allow 8-10 weeks for processing.
- Systems must be installed at account location.
- System(s) must be *purchased* in the 2019 calendar year. *Applications* must be submitted no later than 1/31/19.
- Offer is dependent on funding and can be terminated at any time.
