Energy Star Appliance Rebate Form

Eligibility Requirements:

Applications that don't meet criteria will be rejected

- **\$200 maximum** in rebates per accountholder/household per calendar year.
- Rebate is applied via **bill credit**. Allow **8-10 weeks** for processing.
- Appliance(s) must be installed at account location.
- Offer is dependent on funding and can be terminated at any time.
- Appliance *purchases* must be in the 2019 calendar year (1/1 /19 - 12/31/19).
- *Applications* for purchases made in 2019 are due by 1/31/2020.
- **Energy Star proof** must be included in application via paper or or digital copy (scan, screenshot, pdf, jpg). Acceptable proof:

Either

Easiest: The yellow Energy Guide label that shows Energy Star logo. In the example on right, the Energy Star logo is circled in red on the label's bottom-right corner. Energy Guides missing the Energy Star logo **are not** Energy Star certified.

OR

Copy of technical specifications, (sometimes called product specifications or product guide) that shows your appliance's brand, model number, and Energy Star certification.

OR

Copy of search results from Energy Star's website.
